

20 February 1958

Subject: Consulting Services

Reference: (a) Contract BC-200
(b) Contract OS-100
(c) Letter dated 21 January 1958, WCM to JSL
(d) Conference 30 January 1958, Washington, D. C., GK,
DK, HL, TLB, BJW

Dear Sir:

This is to confirm the agreement made with the Contracting Officer in reference (d) conference that the consulting services of [REDACTED] will be allowable as direct charges at a base rate of \$125.00 per day including G & A and profit, on the reference (a) contract for the period 28 January 1958 through 30 June 1958. There will be approximately one hundred (100) days of this service in total. Any direct costs incurred by [REDACTED] in performance of this service while located overseas will be charged to reference (b) contract. All direct costs incurred on this service item in the ZI will be charged to reference (a) contract.

An invoice will be submitted at least once a month by [REDACTED] to be reviewed and approved by me. It will indicate by day the individual areas to which his services apply. All charges of his services will be on a daily pro-rata basis to applicable contracts or overhead and will not exceed the \$125.00 per day rate.

We will submit to you each month an invoice for [REDACTED] services for that month which are applicable to reference (a) contract and will also include applicable direct costs.

The contractual authorization for these services will be included in a contract change proposal presently in process and will be an additional item of Schedule III of reference (a) contract.

If there is additional information needed by you regarding this matter please contact [REDACTED] directly.

Very truly yours,

HYCON MFG. COMPANY

[REDACTED]
Vice President, Engineering
